

PRIVACY POLICY

APPLICATION HIT FM -RADIO

This privacy policy governs your use of the software application TDI Radio (“Application”) for mobile devices that was created by **Maxim Media Company, Belgrade, Serbia**. The Application is audio player / app for popular Serbian radio station HIT FM.

What information does the Application obtain and how is it used?

User Provided Information

Application does not collect personal user data.

Technical data

Those data are available only to developer team who is engaged for developing purposes and is used as testing/runtime/debug information for future application improvements.

Application permissions

Application writes downloaded visual elements to external phone storage. It is done for caching purposes (speedup of load) .

Application can modify audio settings to mute or unmute audio content which is played.

Automatically Collected Information

Application **does not collect information** like IP address , amount of played content or type/title of content which user played.

Does the Application collect precise real time location information of the device?

This Application **does not collect precise information** about the location of your mobile device.

Do third parties see and/or have access to information obtained by the Application?

No!

Automatic Data Collection and Advertising

Application does not use third party advertising through application. Form inside app is created for listeners so they can contact TDI Radio.

Data Retention Policy, Managing Your Information

Data is not shared by any third party company or individual. Data received from contact form are stored on our servers, without access of unauthorized personal.

Security

Our developing team works hardly to maintain all security aspects of application. Developing team has strict procedures of creating, modifying or editing application content or technical features.

Changes

This Privacy Policy may be updated from time to time for any reason. We will notify you of any changes to our Privacy Policy by posting the new Privacy Policy here: <https://mobile.hitfm.rs/privacyhit.pdf>

You are advised to consult this Privacy Policy regularly for any changes, as continued use is deemed approval of all changes.

Contact us

If you have any questions regarding privacy while using the Application, or have questions about technical or any other issue, please contact us via email at vladan@tdiradio.com
